Endodontics of the Rockies provides an out-of-pocket estimate to all patients. I acknowledge that I have received my estimate and agree to payment date of service.

Payment for services, including deductibles and copayments, are due at the time of service unless other arrangements have been made prior to treatment. Payments may be made by cash, check or credit cards. Any arrangements for third-party financing must be made before starting treatment.

Endodontics of the Rockies accepts most dental benefit plans. We are happy to submit the claims necessary to see that you receive your benefits. The insurance contract is an agreement between you and the insurance company. You are ultimately responsible for all charges. We cannot guarantee that any coverage estimated by your plan will be paid once a claim is filed.

In order to maximize your benefits and because plans differ from carrier to carrier, and from policy to policy, our office may refer you to your carrier or your employer's benefits coordinator for assistance in understanding your plan. Please note that dental insurance is intended to cover some but not all dental care costs, and not all services are covered by your plan. You are responsible for payment of all services regardless of the payable benefit.

Statements for balance due will be sent by email if one was provided, or US Mail. Checks that are returned to our office from your financial institution are subject to a \$35.00 return check fee. This fee covers the processing fees that are charged to our office.

Please indicate your understanding and acceptance of these financial policies by signing below.
